

## AV651/2 - Contents

**AV651 Section 1:** the GFM (Gruyère-Fribourg-Morat) connects with the MOB (Montreux-Oberland-Bernois) at Montbovon which is where we start. The first part of our GFM journey is the only piece of street running on the network.

**Section 2:** Grandvillard is seen in both 1990 and after remodelling in 2010. Onwards we see all stations on our journey to Gruyères and visit the town.

**Section 3:** Gruyères sees train services passing, then onwards to Bulle.

**Section 4:** Now to Broc, home of the Cailler-Nestlé chocolate factory. After a local service to Bulle departs the stock for the GoldenPass chocolate train arrives to form the return to Montreux. This is then seen on its way to Bulle.

**Section 5:** Gruyères sees the train on both the outward and return journeys. After the Montbovon street running the chocolate train rejoins the MOB route.

**AV652 Section 1:** Bulle station is visited in 1989 and 1990 as GFM and then revisited in 2010 as TPF (Transports Publics Fribourgeois). Wide varieties of liveries are seen as well as piggy-back movements. Also a look at the town.

**Section 2:** We start and pass a busy GFM Bulle depot in 1990. This is a mixed journey comparing 1990 and 2010 At La Verrerie we await the single line. Many more stations are seen before arrival at Châtel-St-Denis.

**Section 3:** The route from Châtel-St-Denis to Palézieux was filmed in 1990. SBB mainline and TPF and Postbus activity is seen at Palézieux.

**Section 4/5:** The Bulle to Romont route is standard gauge while all the other GFM routes, [in this set](#), are metre gauge. This journey was filmed in 2010.

Running time of this DVD-R set is 102 minutes.
