

AV200 - Contents

Section 1: Doncaster – Barking
At Doncaster see the arrival of the Old Men of Bow Railtour. After 20135 & 185 run round headboards are added. At Peterborough the pair is taken off due to 185 having traction motor problems. 20140 & 021 join. The pair runs round at Temple Mills. From Stratford we continue to Barking and leave the train.

Section 2: Barking – Fenchurch Street
At Barking we join what was originally the ECS move to Fenchurch Street. This was hauled by 47204. On arrival at Fenchurch Street the Class 20s re-join.

Section 3: Leeds - Keighley
On 25th November 1989 the 08:25 Leeds to Carlisle service is hauled by 20061, 093 and 47444 and we travel as far as Keighley (Worth Valley Diesel Day)

Section 4: Oakworth - Oxenhope
Nearly 20 years later we join 20031 on a journey with 57007 from Oakworth to Oxenhope. We also see activity at Haworth loop.

Section 5: Keighley - Leeds
Back in time to 10th March 1990 and we catch a return from Keighley. This time we find 20906, 905 and 47422 on the 06:34 Carlisle to Leeds service. On arrival at Leeds we see the pair run round.
