

AV422 - Contents

Section 1: Hastings – Pevensey

After a couple of arrivals our South Central service departs Hastings. Next services are seen at St Leonards Warrior Square. We now visit all station stops between Collington and Pevensey and Westham.

Section 2: Eastbourne – Lewes

Movements are seen at Eastbourne including the departure of the DEMU service to Ashford. At Hampden Park many services are seen, some of which actually visit twice. We then go to all stations between Polgate and Lewes.

Section 3: Lewes – Haywards Heath

More services are seen at Lewes before we depart north. At Plumpton an arrival and departure are seen next to the race course. A service joins the mainline at Wivelsfield. Activity is then seen at Haywards Heath.

Section 4: The East Grinstead Branch

We start our journey at the end of the line. All stations are visited on the branch between Dormans and Sanderstead. Riddlesdown sees services in the rain while Sanderstead witnesses the commute on a sunny evening.

Running time of this DVD-R is 52 minutes.
