

AV442 - Contents

Section 1: Weymouth – Poole

We depart Weymouth with views from both inside and outside. The conductor explains over the PA how to use this new train. The service calls at Dorchester South, Moreton and Wool. At Wareham we see a turn-back before continuing to Hamworthy and Poole.

Section 2: Poole – Southampton

After Poole we see services call and pass all stations to Christchurch. New Milton and Sway are visited before witnessing many sets at Brockenhurst. Passing services are seen at Ashurst, Totton, Redbridge and Millbrook before arriving at Southampton.

Section 3: Southampton – Basingstoke

A number of sets at Southampton then services passing St Denys & Swaythling. At Southampton Airport we see a down 10-car stop, followed by services at Eastleigh. Passing trains at Shawford then stoppers at Winchester. Next we pass Micheldever, Woking Junction and west of Basingstoke before various services at the station.

Section 4: Basingstoke – Waterloo

Once departed Basingstoke, sets are seen passing all stations to the Farnborough stop. After passing Brookwood we call Woking and then see most stations to Waterloo.

Section 5: Waterloo – Portsmouth Harbour

Firstly we retrace the route from Waterloo as far as Woking. After passing Worplesdon the service calls at or passes all stations to Witley. Then at all stations from Liss to Bedhampton the units are seen. Finally the service arrives at Portsmouth Harbour.

Running time of this DVD-R is 61 minutes.
