

AV54 - Contents

Section 1: Kandersteg Movements

The DVD starts at Kandersteg on the Lotschberg main line into Italy. We see the car trains being loaded before the trip through the tunnel as well as other station movements.

Section 2: Interlaken Movements

Between Interlaken Ost and West we watch the loco hauled and multiple unit shuttles. Some of the traction will appear in the Electric Loco Parade.

Section 3: Parade Preparations

Early morning at Interlaken West we see preparations for the day's events. At Spiez the locomotive convoy is seen in the station loop.

Section 4: Electric Loco Parade

Moving on to a field just above Frutigen, we watch all 13 locomotives which make up the Electric Loco Parade.

Section 5: Loco Parade Return

All the locomotives couple for their return towards Frutigen where this film finishes.

Running time of this DVD-R is 60 minutes.
