Leeds was visited on 34 occasions between 1990 and 2011. The 1990/91 timetable sees the Carlisle services featuring classes: 20, 37, 47 & 56, although 37s appeared again for 2003/4. In 1990 Duchess of Hamilton appears on a special, initially hauled by class 47. Classes 141, 142, 144, 150, 155, 156 & 158 are seen in everyday use until 1995 when classes 308 & 321 start to appear. From 2000 the new station starts to take shape and later class 333s begin to replace ageing 308s. In 2004 we see a Eurostar in GNER livery on the short-lived White Rose service. In 2006 the class 185 starts to replace 158s on Transpennine services. In 2010 freight services are seen passing through. On 22nd March 2011 158797 named Jane Tomlinson.
