

ZF04 - Contents

Filmed on location by ZEBRA Films between 1993 and 1995 this DVD features the end of slam door DMUs and EMUs in the West Midlands.

A variety of EMU and DMU classes are seen at Birmingham New Street: 101, 117, 119, 121, 150, 304, 308, 310 and the recently introduced 323.

** 11th July 1993 we see 117311 carrying the "End of an Era Cross City Dmu" headboard, although first gen DMUs do work after this date.

** 8th February 1994 323215 departs on its first official run with camera crew and press waiting to join on the station platform.

Running time of this DVD-R is 85 minutes.
